once upon a time there lived a spider named billy his mum is called milly and his big mean brother is called kallin he kicks him up into the sky and pounces him in the stomach and one day he said to him that he would kill him. But milly says no why would you kill your brother kallin just said that he would kill his brother oh well sit outside untill you die so will keep stomping on you die ha ha ashame on you mean old brother hey guys lets go to a icy planet to the north pole yes yay ya whoa it is so so so so so cold mum can we go back home why because it is so cold im dead
